Minutes

Tim, Matt, Chris, Dave and Monica met at the town shop at 10:00. Motion to approve the agenda by Matt, seconded by Chris, motion carried. Tim drove everyone around in his truck. Many, but not all, town roads were looked at for condition and needed maintenance. Some past projects were looked over as well. As usual there are more needs than funds to repair so will need tough choices on priorities. Estimations on gravel, fill, and paving materials will be discussed. Upon return to the town shop at 12:30 Chris made a motion to adjourn, Matt seconded, motion carried.
